

## **Lolly McIntosh**

Lolly has been playing the flute for many years, but only realised her interest in folk more recently, after discovering the laid back atmosphere and easy going attitude of folk music - and the fact that she could actually enjoy playing her flute!

She started playing folk with in the Four in a Bar Ceilidh Band, and, combined with the help of the Chinewrde Morris Dancers started attending festivals and sessions - much to her enjoyment!

She is still a regular member of Four in a Bar, but The QP is now taking up more of her time and she is enjoying the opportunity to play at some great venues, and meeting some fantastic people!
